

# 76<sup>th</sup> Centenary World Foundry Congress

18-24 October 2026

A Bright New Century: Shaping the New Ecosystem

Dear Jerzy J. Sobczak,

The **76th Centenary World Foundry Congress**, organized by the Turkish Foundry Association (TÜDÖKSAD) under the umbrella of the World Foundry Organization (WFO), will take place in Istanbul, Turkey, from **18 to 24 October 2026**.

The congress theme, *“A Bright New Century: Shaping the New Ecosystem”* reflects our vision to unite the global foundry community and lay a strong scientific foundation for the future.

The **Scientific Committee** will play a key role by reviewing all submitted papers to ensure their originality and scientific quality. We highly value the contribution of distinguished experts from around the world.

We would be honored to invite you to join the Scientific Committee, particularly for the sessions related to **“Cast Metal Matrix Composites: Design, Processing, and Applications”**. Your expertise would be a valuable addition, and we sincerely hope this collaboration will have a lasting and meaningful impact.

Should you wish to join the scientific committee, please contact the 76th WFC secretariat before **June 16, 2025**.

**Prof. Dr. Özgül KELEŞ**

Co-Chair of The Scientific Committee

**Dr. Arda ÇETİN**

Co-Chair of The Scientific Committee
